

The Nestlé Retail Operations Center (NROC) Internship is a 10 week paid internship in Retail Sales. The NROC internship is an introduction to help you determine if a position in Retail Sales is of interest post-graduation and may feed directly into a Full-Time position. Interns will have the opportunity to develop knowledge, awareness and understanding of the Consumer Products, Food and Pet Care industries, identify opportunities at retail, learn and practice selling skills, merchandise and optimize shelf conditions at the store-level, and focus on incremental sales volume. The internship also provides opportunities to participate in Marketing and Customer events that strengthen our brands and build market share, cultivate internal and external working relationships that provide exposure to multi-disciplines, including Retail, Account Management, and Category Development.
